Comments/Items to confirm:

1. Consider Monica Ohkubo as Head Athletic Trainer for SRJC as a permanent committee member by position based on her work with student athlete injury incidents as Head Athletic Trainer, Sports Medicine & Athletic Training program director (Faculty)
2. Note Emergency Management Specialist (Dawn Carter) will replace EH&S Specialist Role on DSHC.
3. Confirm whether Rich Lehrer still supporting fall semester only? If so- Identify replacement faculty member with radiation knowledge to replace Cheryl Hanson who retired to cover spring semester for committee responsibilities.
4. New student candidate (Tallulah Identified). Need to confirm official approval from Student Government.
